

SRC3

SRC2

Our storage racks are fabricated from box section steel and are galvanised after fabrication. The arms are fitted with plastic and foam padding to protect canoes/kayaks.

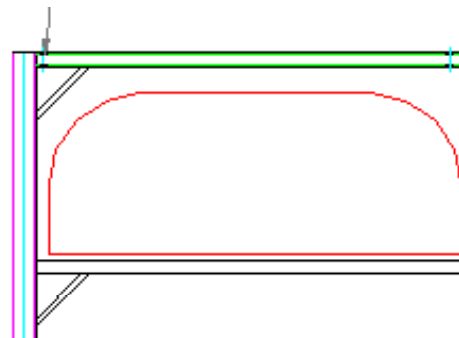

| Type | Canoes |
|------|--------|
| SRC3 | 3 |
| SRC2 | 2 |

Elevation

2' x 2' concrete slabs

Top rail drilled for 10mm bolts to allow fixing of two timber rails and tarpaulin (not included) if required
